OUR 2018 SPEAKERS

DR. KYLE PRUETT

Keynote Speaker

Author of *"Partnership Parenting"* International Authority on *Child & Parent Development*
Clinical Professor in the Child Study Center, *Yale School of Medicine*

Dr. Kyle Pruett is an internationally known child psychiatrist and expert on children, family relationships, and fathers.

The unique ability to share his medical knowledge and other information in plain English makes him highly sought after by the media, government agencies and the business community. Dr. Pruett inspires and captivates audiences of all kinds at the global level, with a provocative, passionate style, touched by personal warmth and humor.

He will be presenting on the impact of the father figure on a child's development, which promises to be of immense value to everyone with an interest in the role of the father in today's family.

MAIA SZALAVITZ

Conference Speaker

Award Winning *Neuroscience Author, Journalist and Mental Health Advocate*
Author of Bestseller, *The Unbroken Brain: A Revolutionary New Way of Understanding Addiction*

Maia Szalavitz is one of the premier American journalists covering addiction and drugs. She is co-author of *Born for Love* and *The Boy Who Was Raised as a Dog*, both with Dr. Bruce D. Perry. Her book, *Help at Any Cost* is the first book-length exposé of the "tough love" business that dominates addiction treatment. She writes for *TIME.com*, *VICE*, the *New York Times*, *Scientific American Mind*, *Elle*, *Psychology Today* and *Marie Claire* among others.

Her most recent book explores the challenges facing the addict, the family and our country as addiction to opioids has reached crisis level.

PRESENTED BY:

FEATURED TOPIC

IN HOME PREVENTION SERVICES FOR FAMILIES IN SUBSTANCE ABUSE RECOVERY: We will explore the impact of in-home parenting and support services for families in the early stages of recovery, prior to DCF involvement and with the family still intact.

A SPECIAL THANK YOU

A special thank you to 2018 Speaker Sponsors, Florida Department of Children and Families and The Partnership for Child Health.
